

JELET COUNSELLING - 2010

Engineering & Technology courses available at degree level and relevant Diploma programmes applicable for admission under lateral entry scheme are given below:

SL.NO	Relevant disciplines of Diploma holders in Engineering & Technology for admission through Lateral Entry Scheme	Courses available for admission in U.G. level of Engineering & Technology Courses
1.	Applied Electronics & Instrumentation Engg / Electronics & Instrumentation Engg. / Instrumentation Technology / Instrumentation Engg. / Instrumentation & Control Engg.	Applied Electronics & Instrumentation Engg. / Electronics & Instrumentation Engg. / Instrumentation Engg. / Instrumentation & Control Engg.
2.	Mechanical Engg. / Automobile Engg.	Automobile Engg.
3.	Bio - Technology	Bio - Technology
4.	Bio - Medical Engg. / Medical Lab Technology	Bio - Medical Engg.
5.	D. Pharmacy	B. Pharmacy
6.	Chemical Engg. / Chemical Technology	Chemical Engg.
7.	Civil Engg. / Survey Engg. / Tech. (Civil)	Civil Engg.
8.	Pottery & Ceramic Technology / Ceramic Technology	Ceramic Technology
9.	Computer Science Engg. / Computer Science & Technology / Information Technology	Computer Science & Engg. / Information Technology
10.	Civil Engg. / Construction Engg. / Construction Tech.	Construction Engg.
11.	Electronics & Telecommunication Engg. / Electronics & Communication Engg.	Electronics & Communication Engg.
12.	Electrical Engg.	Electrical Engg.
13.	Electrical Engg. / Electronics Engg. / Electrical & Electronics Engg.	Electrical & Electronics Engg.
14.	Food Technology / Food Processing Technology	Food Technology
15.	Jute Technology / Jute & Fiber Technology / Textile Technology	Jute Technology
16.	Leather Technology / Foot Wear Technology	Leather Technology
17.	Metallurgical Engg.	Metallurgical Engg.
18.	Mining Engg. / Mining Survey	Mining Engg.
19.	Power Plant Engg. / Mechanical Engg. / Electrical Engg.	Power Engg. / Power Plant Engg.

SL.NO	Relevant disciplines of Diploma holders in Engineering & Technology for admission through Lateral Entry Scheme	Courses available for admission in U.G. level of Engineering & Technology Courses
20.	Mechanical Engg. / Tool & Die Making / Production Engg.	Mechanical Engg.
21.	Mechanical Engg. / Tool & Die Making / Production Engg.	Production Engg.
22.	Printing Technology / Printing Engg.	Printing Engg. / Technology
23.	Textile Technology (Handloom)	Textile Technology
24.	Fashion Technology	Textile Technology
25.	Medical Lab Technology	Bio - Technology
26.	Computer Software Technology	Computer Science & Engineering
27.	Electronics & Communication Engg. / Computer Science & Engg.	Information Technology
28.	Fashion Technology / Textile Technology	Apparel Production and Management
29.	Marine / Electrical / Mechanical Engg.	Marine Engineering*

* All relevant norms & guidelines of DG shipping are to be adhered for admission in Marine Engineering Course.
